

NAMING GIFTS

Several one-time naming opportunities are available at the library. The Jacobs Family Reading Room and the Julie Dye Circulation Desk are two examples of Mendon Public Library Naming Gifts. Current naming opportunities include the Adult Living Room, \$50,000; Children's Area, \$50,000; Lobby, \$50,000; Study Room One, \$25,000; and Study Room Two, \$25,000.

FOR THE FUTURE

Major gifts or planned giving can always be discussed with Library Director Laurie Guenther. She can be reached at 585-624-6067.

THANK YOU!

The Friends of the Mendon Public Library is a 501c3 organization dedicated to enhancing our library. We are people like you who believe in and support this valuable community asset. Your contribution to the Friends of the Mendon Public Library is tax-deductible. We thank you in advance for your consideration in giving to this local resource.

LIBRARY'S

2019 WISH LIST

Shining a light on our needs.

CREATIVE LEARNING & RELAXING

Ultimate Kids' Fun Center & Train Table for Children's Area

The children's area needs a sturdy and safe play surface for little hands to explore, build, and create.

Some tables allow for multiple tactile

experiences, including soft play, water activities, and LEGO-type building zones. Others include train tables, peg boards, movable objects, and chalk boards. What is most important is that the exploratory equipment be durable and safe to

allow for countless hours of play by our youngest patrons.

Loveseat for Children's Area

Children love to be read to, but we don't offer a convenient spot for parents or caregivers to snuggle with their

young ones while reading. A loveseat would be ideal for our children's area.

DVD Case Shelving

We are always looking for additional storage options for our collection. Mobile shelving units are ideal, as they allow the space in the library to change according to different needs.

Computer Work Stations

Our current computer work stations are decades old and are a poor use of library space.

New work stations come in a variety of heights, including desk and counter heights, and would allow for a better flow in our technology area.

Seating for Computer Work Stations

Like our work stations, seating in the technology section of the library is uncomfortable and awkward to use. Updated seating would benefit our varied users who often spend hours hunched over the devices.

PROGRAMMING

Sponsor a Program For Kids, Teens, and/or Adults

We work hard to find program presenters who are willing to share their skills with our patrons at either no cost or at a very low cost. Sponsoring a program that informs, entertains, or teaches attendees is a wonderful way to help our community grow. Previous programs include alcohol ink ornaments, Civil War discussions, puppet shows, gardening tips from Master Gardeners, and defensive driving programs.

MENDON LIBRARY GROUNDS

Adirondack Chairs & Picnic Tables

There are lovely picnic-type areas on the library grounds that both patrons and staff have expressed an interest in using to eat their lunch or read a book. Proper seating is needed in both locations for this to occur.

The grassy areas are east and west of the building.

MENDON LIBRARY COLLECTIONS

Gifts of \$500 or more can be used to name a special library collection. Some donors enjoy creating a collection in honor of an important person in his or her life. Other collection donors are fond of a specific topic and would like to introduce others to it. Previous collections have focused on gardening, quilting, historical periods, and genres. The collections can be age specific as well. There really are no limits! Information is available upon request.
