Mendon Public Library Working to Keep Everyone Connected to Content

The Mendon Public Library is currently closed to the public. In the interest of safety, please hold onto any library materials currently charged to your account. The Monroe County Library System (MCLS) has extended the loan period on all materials currently checked out to May 18, 2020.

For those looking to avail themselves of the Monroe County Library System (MCLS) downloadable content, including E-books, audio books, databases, etc., please note:

- Current Monroe County Cards provide access to online resources
- Monroe County residents without cards can go to libraryweb.org and sign up for an e-card (“using the library” tab)
- Families with students in the HF-L School District who live outside of Monroe County, please refer to the e-mail from District on how to access MCLS downloadable content
- For patrons not involved with the School District who live outside of Monroe County, please send an e-mail to: mendonlibrarycirculation@libraryweb.org. We will give you instructions on how to access online resources in Monroe County.
- If patrons are having difficulty accessing online resources, please send an e-mail to: mendonlibrarycirculation@libraryweb.org

We are working to bring select Story Time opportunities and other learning resources to our patrons via Mendon Public Library social media sites. Stay tuned for some surprises!

Our free Wi-Fi (available in the parking lot) and online resources remain available 24/7. Updated information on Mendon Public Library services can be found at Mendonlibrary.org, Facebook, Twitter and Instagram.

If you need library assistance, you are welcome to email the library at mendonlibrarycirculation@libraryweb.org. We will try to respond in a timely manner.

In the meantime, stay healthy. We hope to see everyone back at the library soon.
