MESSAGES FROM LIBRARY LEADERSHIP

MENDON PUBLIC LIBRARY BOARD OF TRUSTEES UPDATE

BY BRUCE PECKHAM, PRESIDENT

When the Mendon Public Library opened the doors to its new facility five years ago, I was essentially a newly minted trustee with many lessons to learn regarding library stewardship. Since that time, I learned the most important lesson of them all – that a library is people.

There are those who come to avail themselves of our services and opportunities. These people, our customers, reward us, the library, with their acceptance, encouragement, and feedback about how we do as a service institution. Then there are those people who stand and support the service providers. These friends and neighbors work diligently and unselfishly to raise funds, donate monies so necessary in these tight financial times, and volunteer their time in the purest definition of the term. Then there are the dedicated members of our staff. These people make the library machine go. They do it with a warm greeting as you walk through the door and a sincere “How can I help you?” And of course, as a tax-supported entity, we benefit from that small group of elected and appointed municipal officials whose ongoing assistance and direction is essential to our success.

And there is my learned lesson. As we proceed into 2016, we, the trustees, will work diligently to perform as responsible stewards of this library institution in respect and gratitude for the community that comprises the Mendon Public Library.

FRIENDS OF THE MENDON PUBLIC LIBRARY UPDATE

BY MEG SEGRUE, PRESIDENT

The Friends of the Mendon Public Library continued to have an active year in 2015. In the spring of 2015, our Capital Campaign launched a \$15 in ‘15 fundraiser in which every resident was asked to contribute \$15.00 for every member in their household to help pay off the remaining bond debt to the Town of Mendon. This endeavor raised over \$40,000 and 350 households participated. Ron Knight and Deric West headed up this endeavor on behalf of Capital Campaign. We are grateful for all our residents who supported this campaign effort.

In the fall, we had author Peter Lovenheim, discuss his book In the Neighborhood: The Search for Community on an American Street One Sleepover at a Time. Mr. Lovenheim is a Rochester native who received his journalism degree from Boston University and his law degree from Cornell University. His book explores a murder in a prominent neighborhood in the Rochester area and the sociological structure of the neighborhood that did not know the victims and for that matter each other. He sets out to understand this neighborhood that he grew up in and still lives and made a point to get to know his neighbors through interviews and yes, sleeping over at their homes. This was a fascinating author visit.

Our Capital Campaign committee set up a Business Breakfast in November with Robert Duffy, CEO and President of the Rochester Business Alliance. Many of the towns leaders and business owners were in attendance to hear Mr. Duffy offer encouragement, outlook for the Rochester Area region and networking for the future growth of business and employment. At the breakfast, Melissa Jacobs (a Library Board of Trustees representative) passionately spoke to the merits and mission of our library. Melissa surprised us all that morning with a check for \$5,000 for the Capital Campaign on behalf of she and her husband, Chris. Additionally, Chris Jacobs, President and owner of Star Headlight, presented a matching gift. We are grateful to their continued support not only financially but with their time and energy.

The Friends group purchased enhancements for the library this year, including: Great Courses with many interesting topics such as: The American Civil War, Lifelong Health, and Fundamentals of Photography are now on loan. The course kit includes DVD’s and instructional booklets for at home learning. Blinds were added to block the sun in the children’s area. Additional toys and games were added to Noah’s Corner with the Kade Project. New side tables and chairs were added in the fireplace nook.

Our 2015 High School scholarship recipient was Victoria Young. Our High School students provide valuable volunteer time, creativity and energy. Thank you to Victoria and all our high school volunteers.

Mark your calendars: Boots and Books at the Barn with the Skycoasters will be on October 15, 2016 at Sandy and Bruce Howlett’s barn in Avon. This event was a huge success with a high energy band, beautiful barn setting and a great crowd. Anyone interested in sponsoring or donating to this event, please contact the Library. Tickets will be available at the end of August. Mendon residents in 2015 again have been extremely supportive of the vital resource for our community.

MPL HEART OF OUR TOWN CAPITAL CAMPAIGN

BY RON KNIGHT, CHAIR

The Heart of our Town Capital Campaign worked diligently in 2015 to raise funds for the Capital Campaign. Our \$15 in ‘15 Campaign garnered tremendous community support and we’re very thankful for everyone who stepped forward to help us raise more than \$40,000 with this effort in 2015. You will notice on the next page, just how successful our Campaign has been. As we look to close out this campaign in 2016, we thank each and everyone who has contributed to these efforts with their time, talents and treasures. In the spring of 2016, we will present our final campaign push and look forward to acknowledging the successful completion of these efforts at the Friends Barn Dance on October 15, 2016.

MESSAGES FROM LIBRARY LEADERSHIP

CELEBRATING OUR SUCCESS OVER THE PAST FIVE YEARS: THE MENDON PUBLIC LIBRARY ANNUAL REPORTS & THE MESSAGES OF THE REPORTS DURING THE HEART OF OUR TOWN CAPITAL CAMPAIGN

This year, the fifth year of the Heart of Our Town Capital Campaign, our annual report message is about “Celebrating Our Success.” Our volunteers and staff are true visionaries in making the new library a reality. New library discussions began in 1998 when it became evident that our community had outgrown the space that was constructed in 1975. Through hard work and determination, they have grown this new library into a facility that we can all be proud of, a facility that is one of the top five patronized businesses in the Town of Mendon. It seems appropriate that we look back at where we’ve come from and all that we have to celebrate!

The Heart of Our Town Capital Campaign has raised more than \$550,000 in payments, grants, and in-kind donations. Additionally, the Heart of Our Town Capital Campaign has made payments totaling \$424,908.11 to the Town of Mendon to repay bonds debt incurred in the funding plan for the new library.

Looking back at all our fundraising activities, we’ve had quite a few...In 2015, we held the Lovenheim Talk, Duffy Business Breakfast, several \$15 in ‘15 Receptions, Roc the Day, historic brick sales, call nights at the library, and numerous committee meetings. Additionally, we secured new funding from New York State, the Max and Marian Farash Charitable Foundation, and the May K. Houck Foundation.

The Annual Report of 2014 spoke to how the public library is one of the last free spaces in an increasingly privatized world. 2014 was a busy year with the Friends Sweepstake Event, Mendon Garden Walk, Boots and Books at the Barn, receptions and book talks, Roc the Day, historic brick sales, call nights, and many committee meetings.

Our 2013 report explained the myriad rolls of our library, including how it functions as a place to seek resources and gather together in a home-like setting. Highlights of our fundraising activities in 2013 included the Gary Lewis Concert Benefit held at the packed HFL District Auditorium, private receptions and book talks, Roc the Day, call nights, and committee meetings.

The Annual Report of 2012 highlighted the changing times and value that the library brings to our community. 2012 was the first Gary Lewis Concert at the Mendon Golf Club, and included special events like our fundraising breakfasts, call nights, and committee meetings.

Our 2011 report focused on the Public/Private Initiative of the Heart of Our Town Capital Campaign. 2011 found us hosting fundraising breakfasts, call nights, and committee meetings. The highlight of that year was when we opened the red door of our brand new library in June!

PARTNERSHIPS WITH OUR COMMUNITY

THANKFUL FOR ALL OUR WONDERFUL PARTNERSHIPS

The Mendon Public Library received two major grants in 2015. These grants came from community partners that recognize a stated library need and assist in making wishes come true. In 2015, we're most thankful for the support of two organizations:

The May K Houck Foundation

Thanks to the generous support of the May K. Houck Foundation, the HF-L School District's yearbook collection is now available for all to see online in digital format through the New York Heritage Digital Collections. A pictorial record of the Honeoye Falls-Lima School District from 1954-2009 can be accessed through the library's website, www.mendonlibrary.org. Additionally, a collection of local newspapers, specifically the Honeoye Falls Times and Sentinel, is available in digital format.

"The May K. Houck Foundation has been a tremendous supporter of our library," said Laurie Guenther, Mendon Public Library Director. "In the past few years, May K. Houck Foundation support has allowed us to digitalize our historical collections, create a 24-hour outdoor book drop, extend our operating hours, and try new technologies. We can't thank them enough."

Max and Marian Farash Charitable Foundation

Business people looking to participate in video conferences, civic groups hoping to gather for a video/digital presentation, or families trying to connect with their beloved service members through Skype, now have the ability to do all that at the Mendon Public Library.

Thanks to the generosity of the Max and Marian Farash Charitable Foundation, the Mendon Public Library now offers FREE solutions for patrons needing a location and the necessary equipment to conduct a wide variety of Internet and/or computer-based activities.

The 55" Smart TV, dvd player, and relevant video and sound enhancements of this unit offers patrons the ability to utilize user-generated content (dvd and/or presentations and images from flash drives), as well as interactive services that run off internet applications (Skype, YouTube, and fee-for-service subscriptions), and computer-based applications.

Use of the equipment is free, but, online accounts for Skype and other, web-based services, are required.

Additional community partnerships that we are extremely thankful for, include:

The Kade Project

The Kade Project (TKP) recently pledged a second gift of support for the Mendon Public Library. The recent \$2,500 pledge follows an initial gift of \$3,000 in 2012. These gifts will continue to support Noah's Corner, a special section of the library dedicated to children.

Noah's Corner is named after Kade Edward O'Brien's son. This wonderful corner of the library is an area where children come to play with toys that encourage imaginative play, sharing with others, and overall good times.

The Mendon Public Library is extremely grateful for the support of TKP. Our many young patrons enjoy dreaming big each time they visit the library and partake of the fun activities offered on a rotating basis in Noah's Corner.

M&T Bank

M&T Bank provided support for our Summer Reading Program. This support allows us to provide quality programming and worthwhile incentives that keep our children engaged and reading throughout the summer.

New York State Council for the Humanities

Making Sense of the Civil War Discussion Series was offered in 2015 by a grant from The New York Council for the Humanities. Scholar-Facilitator, Bruce Peckham, led the six-session program for adults & seniors. Reading materials were provided by the New York Council for the Humanities.

Memorial Garden and Brick Garden

As you enter the library, you might notice the gorgeous memorial garden that was created in loving memory of Chris Hassett. This special garden came about because of the work of her loving family and friends.

The Brick Garden just around the corner also represents community support for the library. Installed by local Eagle Scout, Anthony Garcia, the bricks commemorate special people and events. Additional bricks are still available at mendonlibrary.org (Support the Library: Historic Brick Sales).

COMMUNICATING WITH OUR COMMUNITY

COMMUNICATION AND TECHNOLOGY OFFERINGS AT THE MPL

In 2015, the Mendon Public Library saw a number of advances in our communication and technology offerings. We're pleased to report that we now offer: free, open high-speed wi-fi access throughout the library; Internet connection speed of up to 15Mbps (upload and download) thanks to our partnership with the Monroe County Library System; video conferencing and Skype capacity; and a variety of electronic resources for our Monroe County Library cardholders.

Our library resources are ever expanding thanks to a rotating large print collection courtesy of Rundel Library.

We partnered with the Town of Mendon to celebrate the Town's Bicentennial Celebration with a Time Capsule created and housed at the library. We have partnered with the Rotary to host receptions and meetings, and continue to work with the Honeoye Falls Mendon Historical Society to offer programs such as the "Treasures of the Library." Our community benefits from a strong working relationship between the town library and school libraries. Besides working together on programs, we partner to offer special events such as "Amerks Reading Power Play", volunteer work days such as "Adventure Day" and ongoing "Weeders and Waterers" that assist with garden maintenance at the library.

Last summer, our local college students helped full-time library staff update and improve the Mendon Public Library's social media presence. We added an Instagram account and updated our existing FaceBook and Twitter. Several patrons assisted us with this effort by describing why they liked our library.

Also over the summer, we held the first-ever "mpl2k15 Photo Contest." Mendon Public Library received a wide variety of outstanding photographic submissions from children, teens, and adults.

We celebrated these submissions with an in-library community display from September 8 – October 26, 2015 of all the category winners. Additionally, everyone in the community was invited to attend an awards presentation and reception at the Library on Monday night, October 5, 2015 at 6:30 pm. The Grand Prize Winner and all theme winners were recognized at the lemonade and cookie reception.

Every two weeks, the mpl2k15 themes changed and the staff looked forward to viewing the various photos submitted. Our winners for each theme came from one of three categories (child, teen, adult) and included:

June 15-28—Mendon: Showcasing Our Community,
Child- S. Herrmann, Teen-T. Howe, Adult- C. Carosa

June 29-July 12—People: Family, Friends and Neighbors,
Child - S. Herrmann, Teen- L. Herring, Adult- V. Low

July 13-26—Events: Weddings, Graduations, Parades, etc.,
Adult - P. Bergwall

July 27-August 9—Nature: Animals, Landscapes and Weather,
Child - A. DeClerck, Teen – L. Annunziata, Adult – L. McNamara

August 10-23—Your Choice: Photographer's Whim,
Child – M. Sanders, Teen – W. Tatakis, Adult – P. Bergwall

At the end of the photo contest, the community selected a Grand Prize Winner from among the theme winners. The Grand Prize Winner is Valerie Low.

Community steps forward to share time, talent and treasures

1,000+
volunteer hours in 2015

Our dedicated volunteers are a vital part of our library. They provide workers for the book sale, help with library projects, and assistance with various programs.

The library depends heavily on our community support from our dedicated Friends of the Mendon Library. This is an active, all-volunteer group that supports the library with advocacy and provides library enhancements above and beyond those allowed by the library operating budget.

The Friends have been active since 1989. They played a major role in the new library by donating \$25,000 in start-up funds for the Capital Campaign in 2010.

These monies were raised by Friends' book sales, which provide recycled, low-cost books to the community at a fraction of the cost of a new book. They host annual sales and an in-house bookstore.

The Friends' gifts are evident throughout the library.

In the last year, the group has provided furniture and blinds.

Our volunteers also offer expertise in various subject areas

making our library a lifelong learning center. In-depth programs about the Civil War, founding fathers, and knitting have been offered in 2015. We have also offered free, one-on-one help with the ever changing world of technology six times a week for the past several years.

YOUR GIFTS ARE IMPORTANT: THANK YOU

In September 2015, the Heart of Our Town Capital Campaign presented the Town of Mendon with another payment for Phase I of the Mendon Public Library project.

As of Fall 2015, the Capital Campaign has given \$424,908.11 to the Town of Mendon as payment toward bond anticipation notes. The majority of donations continue to come from caring community members just like you.

Thank you for supporting our new library.
