Mendon Public Library 2016 Annual Report to the Community

MESSAGES FROM LIBRARY LEADERSHIP

BOARD OF TRUSTEES UPDATE

BY MOLLY ORTIZ-BRAZAK, PRESIDENT

"The Library is the temple of learning, and learning has liberated more people than all the wars in history of man," said Carl T Rowan. We quote this well known journalist, recognizing his words as cogent reminders of all the library can be for so many. Whether you look to the library as a place to gain knowledge or as a spot to gather and enjoy your community, this institution serves many functions for many people. As your community library leaders, the Mendon Public Library Board of Trustees endeavors to make our library many things to many people. We gather to set the library budget, execute long-term planning, and guide staff in practical matters. It's our honor and privilege to work hand-in-hand with our Town's elected leaders and our library staff to meet our community's needs. Please know our meetings are always open to the public and we welcome your input.

FRIENDS UPDATE

BY MEG SEGRUE, PRESIDENT

The FOMP had an active year for fundraising and programming. Our efforts this year focused on our spring and fall book sales and sponsoring the Boots and Books at the Barn Fundraiser for the capital campaign. Our book sales are always successful and the Friends appreciate the volunteers in our community who help make it all possible, in particular, two stellar, long-time volunteers, Barb Altonberg and Bill Lynch.

Our Boots and Books at the Barn event in October was a spectacular evening at Sandy and Bruce Howlett's Avon Century Barn. The evening sky and weather were perfect. Our wonderful sponsors, guests, and a successful wine pull run by Gina and Bill Hurley, made the evening memorable and fun. Thank you all for a making this event a great ending to our capital campaign.

FOMP sponsored programming and workshops for the staff and patrons of the library this year. We also awarded a scholarship to graduating HFL senior, Emma Stout. The FOMP encourage community members to volunteer at the library. We appreciate the time and talent of our residents for you are the Heart of our Town.

CAPITAL CAMPAIGN UPDATE

BY RON KNIGHT, CHAIR

In October 2016, the Friends of the Mendon Library announced the completion of a very successful capital campaign raising over \$458,000 in five years to benefit the new library at 22 N. Main St, Honeoye Falls, NY. In 2008, Mendon residents voted 3:1 to support a new library building as the library on Monroe St. was not handicap accessible or large enough to house the library collection. A public/private funding plan aimed at providing a suitable building with the lowest impact to the taxpayers resulted. Funding sources included a voter-approved bond for \$1.35 million, a \$500,000+ New York State Construction Grant and a short-term bond approval note (BAN) for \$550,000 which the Heart of our Town Capital Campaign vowed would come from private donations.

The new Mendon Public Library opened on June 27, 2011, to rave reviews in our community. For the first time in decades, the library was both ADA-compliant and suitably sized to shelve the entire collection. Throughout the campaign, community members have joined us enthusiastically in the new 7,340 sq. ft. space, and library visits and circulation have increased substantially each year the library has been open at 22 N. Main St.

As Chair of the Heart of our Town Capital Campaign, I am pleased to report that over the course of the campaign, the Friends of the Library paid off over \$458,000 of that \$550,000 BAN with private donations. Additionally, the Capital Campaign raised over \$100,000 through in-kind donations and various grant awards. The library's "Final Report of the Heart of our Town Capital Campaign" is available at the Library.

The funding for the Mendon Public Library's Capital Campaign came from four sources over the past five years totaling \$543,818.52. Of these monies, 57% came from general donations, 29% came from pledge payments, 9% was money raised at various special events, and 5% from historic brick sales. A heartfelt thank you to all in our community who joined together to ensure that our community has such an outstanding facility.

ADAPTING TO THE FUTURE

LOOKING TO THE FUTURE:

HOW THE MENDON PUBLIC LIBRARY CONTINUES TO ADAPT TO OUR COMMUNITY'S NEEDS

HELPING OUR CHILDREN GROW

As we think about all we are thankful for, community support tops the list! We are very grateful for the NYS Bullet Aid to Libraries that NYS Senator Rich Funke helped to secure for the Mendon Public Library. The Bullet Aid monies, combined with \$50,000 in New York State and Municipal Capital funding, donations from the May K. Houck Foundation, and Friends of the Mendon Public Library donations, will be used by the Town of Mendon to adapt our children's space. This will allow us to offer improved and more efficient, kid-friendly library services in our children's area.

The Mendon Public Library provides services to approximately 1,700 children each year and the library focuses on providing many opportunities for early literacy. Using current research and community input, the library proposed changes to the existing children's space that will give children and their caregivers the best possible place to gather, discuss, learn, and enjoy. According to experts, the best way to engage early learners is through literacy-rich and play-based pavilions that allow children to explore and navigate the world of reading. Libraries are no longer quiet "shushing" places, but vibrant, hands-on, exploration spaces that provide a range of early learning opportunities. As such, the current children's area will undergo a transformation to better organize the space to offer a cohesive, bright, safe, and engaging area for our young library users.

MEETING THE NEEDS OF ALL OUR PATRONS

In 2016, our Friends of the Library group provided funding so that the library could work with the Rochester Regional Library Council (RRLC) and Causewave Community Partners to spend time developing our brand as we look to better meet the needs of our patrons. This time-intensive project, pulled together our elected officials, our library leadership, library staff, and community partners to gauge our branding goals for 2017 and beyond.

Thanks to the generosity of the Max and Marian Farash Charitable Foundation, the Mendon Public Library now offers free solutions for patrons needing a location and the necessary equipment to conduct a wide variety of internet and/or computer-based activities. The 55" Smart TV, dvd player, and associated video and sound enhancements of this unit offers patrons the ability utilize user-generated content (dvd and/or presentations and images from flash drives), as well as interactive services that run off internet applications (Skype, YouTube, and fee-for-service subscriptions), and computer-based applications. Each

month, the library also utilizes this technology to offer "Afternoon at the Movies."

Whether you make use of our library for our lending materials, as a meeting place for studying or group projects, or prefer take advantage of our programming (including regularly scheduled Technology Training, Knit Nook, or Paws to Relax visits with Shylo), we love seeing you at the Mendon Public Library. We consider it our mission to, "inspire and connect you to the stories you want, the information you need and the community you seek."

PARTNERSHIPS WITH OUR COMMUNITY

THANKFUL FOR ALL OUR WONDERFUL PARTNERSHIPS

The Mendon Public Library received support from a number of community groups and individuals in 2016. Perhaps most exciting of all was the celebration of the end of the Heart of our Town Capital Campaign! In October, the Boots and Books at the Barn Dance celebrated the successful completion of our Capital Campaign. We are so fortunate to live in a community where everyone came together to help us complete this beautiful new building. Below, we highlight some of our community supporters and recognize in a special way a local businessman who has gone above and beyond to ensure the library's good standing in our area.

The May K Houck Foundation

Thanks to the generous support of the May K. Houck Foundation, the library will be able to move forward with the redesign of the children's area space. Their support allowed us to improve our wireless and broadband connectivity in 2016.

M&T Bank

In 2016, M&T Bank once again provided support for our Summer Reading Program. This support allows us to provide quality programming and worthwhile incentives that keep our children, teens, and adults engaged and reading throughout the summer.

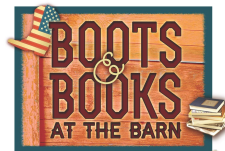

NYS Bullet Aid for Public Libraries

NYS Senator Rich Funke's office helped us secure funding to make improvements in our children's area.

Memorial Donation honoring Paul MacAulay

Paul MacAulay did a great deal to support the Mendon Public Library in his lifetime. The library felt tremendously honored to be named as a designated charity upon his passing.

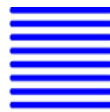

Boots & Books at the Barn Sponsors

The Howlett Family, Southco, Segar and Sciortino, Flower City Baseball, Star Headlight and Lantern, HFMP, and RFG Associates stepped forward in 2016 to support Boots and Books at the Barn.

Honeoye Falls Mendon Rotary

Provided memorial donations to honor two long-standing community contributors: Reverend Lawrence A. Gross and Daniel C. Williams.

STARS AND STRIPES 5K VETERUN

Stars & Stripes 5K VeteranRun

Showed their appreciation for allowing their committee to meet at the library by providing funding for library events.

Special Thank You to Local Businessman, Deric West

Last, but not least, Deric West, local businessman and long-standing member of the Heart of our Town Capital Campaign, gave of his time, his talent, and his treasure by making sure the capital campaign was brought to a successful completion. In addition to making numerous donations to the capital campaign, Deric was a dedicated committee member. His immeasurable support included sponsorships of events, assistance with promotions, organization of concerts, breakfasts, desserts, and so much more.

"Deric was a leader and a significant contributor on our capital campaign committee," said Ron Knight, chairman of the Heart of Our Town Capital Campaign. "Much of what was done, came about because of Deric and his passion for the library. His efforts were integral to our success as a committee. Our community is lucky to have a man of his abilities and talents."

COMMUNICATING WITH OUR COMMUNITY

COMMUNICATION AND TECHNOLOGY OFFERINGS AT THE MPL

In 2016, the Mendon Public Library saw a number of advances in our communication and technology offerings. We are pleased to report that we were able to upgrade our public computers and continue to offer free, open, high-speed wi-fi access throughout the library. Our wireless connection offers 50Mbps download and 5.6Mbps upload speeds. The May K. Houck Foundation and the Max and Marian Farash Charitable Foundation also supports video conferencing and Skype capacity, and a variety of scanning and wireless printing options. Kindles are available for loan. A laptop computer is available for in-library-use. Finally, we offer our patrons the opportunity to sign up for one of six, free, one-hour tech training sessions every week.

Access to Monroe County Library System's electronic downloads give our Monroe County cardholders the ability to download for free a variety of audiobooks, ebooks, magazines & newspapers, recorded and live stream events, videos, library apps, and databases. Be sure to check out the OverDrive app to access these downloads on your electronic devices.

Additionally, the library now offers the May K. Houck Digital Collection: a database of local year-books, photographs, newspapers, etc. To access this collection, simply visit mendonlibrary.org and click on the May K. Houck Digital Collection tab.

The Mendon Public Library also tries to keep our website up-to-date. mendonlibrary.org promotes our most current offerings on the main page. Additional information can be found on our active calendar page, by clicking on the What We Offer tab and then the Events Calendar line.

Online at mendonlibrary.org, patrons can sign up for our newsletter, learn about our display space, and much more. To learn more, check out all of the links labeled in red on the right at mendonlibrary.org. Additionally, be sure to follow the Mendon Public Library on Facebook, Twitter, and Instagram.

COMMUNITY STEPS FORWARD TO SHARE TIME, TALENT, AND TREASURES

The library depends heavily on our community support from our dedicated Friends of the Mendon Public Library. This is an active, all-volunteer group that supports the library with advocacy and provides library enhancements above and beyond those allowed by the library operating budget.

The Friends have been active since 1989. They played a major role in the new library by donating \$25,000 in start-up funds for the Capital Campaign in 2010.

These monies were raised by Friends' book sales, which provide recycled, low-cost books to the community at a fraction of the cost of a new book. They host annual sales and an in-house bookstore.

258

volunteer hours logged in 2016 alone

Our dedicated volunteers are a vital part of our library. They provide workers for the book sale, help with library projects, and assistance with various programs.

451

programs in 2016

Our volunteers also offer expertise in various subject areas, making our library a lifelong-learning center. In-depth programs about financial management have been offered in 2016. We have also offered free, one-on-one help with the ever-changing world of technology six times a week for the past several years.
