

Oceans of Possibilities Button Mosaic Directions

1. Hot Glue your fabric to the cardboard piece.

2. Design your image on a piece of paper.

3. Lay out your buttons, beads, and other found objects on that piece of paper so you can work with and adjust to your liking.

4. When you are pleased with your design, begin to glue the items on the fabric.

5. Hang and Enjoy!

Did you create your own Mosaic?
