- Summer Reading 2022 has concluded. Full statistics on a separate document will be provided.
- Our proposed 2023 Library Budget was delivered to Supervisor Moffitt on August 4.
- Our 3 new Wireless Access Points were installed by LAS. We participated in MCLS's Category 2 e-rate group purchase which offered significant savings. We will be billed only \$562.82 for the 3 access points and five years of licensing, while the total cost would have been \$3,752.
- SkyPort presented a 2022 and 2023 IT Plan for equipment and service.
- We had a table at the August 20 "Festival at the Falls."
- A former clerk was rehired to fill the open clerk position. We plan to hire a page to shelve books this fall.
- We removed the plexiglass barriers at the circulation desk. We continue to offer free COVID tests for the public which have been provided by Town of Mendon, County of Monroe via MCLS, and Senator Brouk's office.
- Looking ahead to September: We have window, carpet, and floor cleaning scheduled. We will participate with the Book Bike in the Fall Weekend parade.
