

Week 2 STEM!

Kid Craft/Craft Stick Catapults

Materials Provided: plastic spoon, 8 craft sticks, 3 rubber bands, cotton ball, plastic cap

Additional Materials Needed: Anything you want to launch!

Stack 7 craft sticks and place a rubber band around 1 end of the stack. Place 8th stick between sticks 1&2, in the middle, and then put a rubber band around the other end of the stack. Attach the spoon to the middle stick using the last rubber band. Start launching your cotton ball, bottle cap, etc. to see which one goes the farthest!
