2024 Highlights:

- Improved access for our community by going fine-free for all MPL books and materials.
- Prepared for the total solar eclipse by hosting displays and programs, and by distributing over 2,000 pairs of glasses.
- A grant from NYS allowed us to open a new Teen Corner space and install new computer furniture and A/V equipment. The Friends of MPL helped us beautifully restore some of our older wooden tables and chairs.
- Celebrated “Adventure Begins at Your Library,” the 2024 Summer Reading Program which attracted 1,946 attendees of all ages to 165 programs.
- Some brand-new literacy-based programs were added to our youth programming roster, including Saturday and Bilingual Storytimes for the littlest ones, and a special visit from author Veera Hiranandani for older kids.
- Popular adult programs were: Harp Duo Concert, Native American Storytelling, History of Rochester Subway, and Pumpkin Book Folding.
