Would you like to meet and work alongside members of the community who love and enjoy the library as you do? Your time, skills and talents are needed, appreciated and impactful. Join us in developing and supporting:

Programming – The Library's diverse programming is offered to participants for free, so no one has to miss out due to financial barriers.

Library Enhancements – High-quality toys for the children's room, furniture restoration and aquarium maintenance are some examples of ways The Friends have used gifts to make the library even more attractive and engaging.

Future Needs – Our primary goal is to ensure Mendon Public Library remains a vibrant community resource for generations to come.
