## New Endowment Initiative!

Dear Friend,

Our town is growing and changing in promising ways. Today's library builds on a proud history, and your support carries that legacy forward.

**Please consider making a significant tax-deductible gift to The Friends of Mendon Public Library to help us establish a new endowment fund through the Rochester Area Community Foundation. You or your organization's contribution will ensure the library remains a vibrant community resource for generations to come.**

### Invest in a legacy of strength.

Community support powers the library. You, like many residents, may assume that the library is fully funded by tax dollars and not realize that the library needs your active support and advocacy to remain strong and vibrant. We believe that, by pooling our resources with other organizations through the Rochester Area Community Foundation, we can benefit from its historic success at helping nonprofits achieve their goals and can be well positioned to meet the library's future needs and respond to new opportunities.

For decades, residents like you have helped shape and sustain this library. Its future depends on your continued support. Thank you for allowing us to share this opportunity and for considering how you can contribute.

Sincerely,

Mary Church (President)

Linda-Ann Goodrum (Vice President)

Charlene Fisk (Treasurer)
